Virtual Platform:

Closer to the conference dates, all speakers, session chairs and paper presenters will be receiving the final joining instructions for how to join the conference including unique login credentials to the conference virtual platform.

- Login to the virtual platform 30 minutes in advance of your session start time to check-in with technical staff.
- Ensure your log-in device is in good working condition with fast internet connection prior to the conference date.
- It is important to have a designated area with adequate amount of light and free from outside noises and distractions.
- Make sure you test your camera and mic.
- Make sure you have stable internet connection with minimum 2-3 mbps speed
- The session chair will introduce all session speakers.
- During the session real time, the tech team will play the pre-recorded presentations.
- A live Q&A will be conducted at the end of each presentation where the chairs will direct the questions from audience to the speakers / presenters.

Presentations Pre-recording:

- All speakers, and paper presenters are required to pre-record their presentations for ICAPP 2021.
- The pre-recorded presentations will be played at the real time of the conference, however all speakers, session chairs and paper presenters are required to be online during the real time of their sessions.

Faculty Training:

All speakers, presenters and chairs will be invited for a training session for (20 to 30 mins) to get familiarized with the conference virtual platform, please make yourself available to attend.

There will be 4 training session options, (you can choose to attend any one of those 4 options):

- 1st Session on 6th Oct | 11:00 - 12:00 UAE Time +4 GMT
- 2nd Session on 6th Oct | 20:00 - 21:00 UAE Time +4 GMT
- 3rd Session on 7th Oct | 11:00 - 12:00 UAE Time +4 GMT
- 4th Session on 7th Oct | 20:00 - 21:00 UAE Time +4 GMT

For further assistance prior and during the conference, please do not hesitate to contact us at icapp21@mci-group.com.
